

High School Teachers Inner Work Zooms

Term 4

October - November 2025

Presented by **Michael Merle**

This zoom series has been requested by teachers as a continuation from the 2023 October High School Conference held at Newcastle Waldorf School. They are a great opportunity to work with Michaël Merle. These sessions give significant support for high school teachers to further enrich their pedagogical insights with essential depth for a Waldorf context.

Michaël Merle currently resides in the U.K. and has been part of the International Forum for Steiner/Waldorf Education and an Upper High School teacher in South Africa. He has an ongoing role as an international mentor for teachers and Waldorf schools. Michaël has had a collegial association with Newcastle Waldorf school since 2018 including numerous inspiring zoom presentations (coordinated by Sophia Montefiore).

If you would like to join the Term 4 zoom presentations, please let Sophia know by email so that she can keep you updated.

TIME: 7 pm Sydney Daylight Saving Time

DATES and TOPICS

- 27th October - new NESAs Science program updates with Waldorf content
- 3rd November – Ways to support colleagues in Waldorf Schools
- 10th November - gestures for each subject and for different times of day e.g. the different ways to conduct Maths in the morning, middle or afternoon....
- 17th November – Considering some of the highly relevant points from Rudolf Steiner's Education for Adolescence lecture
